#### **NIGHT SESSION**

Mrs. Hawkins welcomed Mrs. McHoward from Durango, Mexico, and Mrs. Lucy Yaman from Laredo. Each of the officers present gave an outline of their duties.

Mrs. Hawkins stressed the following eight points for the Table Director:

1. Study the History of the Tables.
2. Read and acquaint yourself with the State and Alliance Constitution and By-Laws.
3. Before leaving this Convention see that the Secretary and the Treasurer have the names of your new Director and Treasurer and their addresses.
4. Mail copy of new year book to all State Officers, Alliance Director, Secretary and Treasurer.
5. Read carefully all communications, this is for a purpose.
6. Look well to your program chairman.  
See that your program is Pan American, urge programs of Pan American nature.
7. Have one program during the year with either an Alliance or a State Officer.

8. Give thought to a strong project committee.

The following projects were suggested:

1. Scholarships.
2. Spanish classes.
3. Study of the 22 flags.
4. Study of the history and customs of the Latin American Countries.
5. Study of the Organization of American States.

Mrs. Hawkins stressed the point that the Pan American Round Table is a nonprofit organization; however, a money raising project can be carried out for the purpose of raising funds for scholarships and sending delegates to Conventions.

Mrs. Hawkins in the discussion of Table membership stressed the following:

Choose new members who are really Pan-American minded not just "joiners". Keep your membership small and interested rather than large and unwieldy. It is better to take in no new members than to just fill your roll with the maximum membership.

Mrs. Arlon Wylie explained the Zoning of the State and the terminology of the associate directors. Meeting adjourned at 9:30 P. M.

#### THURSDAY, APRIL 6, 1961

REPORT OF THE FIRST ASSOCIATE DIRECTOR

THE PAN AMERICAN ROUND TABLE OF TEXAS

MRS. ARLON J. WYLIE

The First Associate Director has been working with the other Directors toward carrying on the extension work, which is to organize new Tables. No new Tables have been organized but some are in the making. The seeds that have been planted will bear fruit for our Successors.

Many ideas and prospects have been sent out to the proper people.

As First Associate Director much more than one hundred letters have been written in the interest of Extension work.

Mrs. Singer visited Midland and felt that a Table might be organized there. I followed up by sending letters to a dozen women who might help in this organization. Some replies were received but they are not ready to carry on at this time.

Correspondence with Mrs. Harper of Mt. Pleasant is still continuing but each time a meeting is planned some unfortunate thing happens. Here is hoping Dallas II can still organize that Table.

The El Paso Table voted to sponsor a table in ~~Ysleta~~. That has not materialized yet. It takes time.

Work is being done toward the organization of a table in Alpine.

Respectfully submitted

## REPORT OF THE SECOND ASSOCIATE DIRECTOR FOR 1959-61

### Extension

Contacts have been continued in Port Arthur. Since a sound basis for organization of new Tables is through the language, and since there is a need for young women to grow with Pan Americanism, several who have studied Spanish at Lamar State College, and who live in the surrounding area were visited. There is a real zest for friendship within the group, which could serve as a nucleus to draw prospective members from their respective areas.

### Visitation

Your Associate Director was given the opportunity for a most pleasant visit with the members of the Houston Table at an opening meeting and luncheon in the fall. Having been unable to be present at the February meeting of the Conroe Table, a program was arranged and presented by members of the Beaumont Table on the Convention held in Guatemala.

REPORT OF ACTIVITIES, THIRD ASSOCIATE DIRECTOR, STATE OF TEXAS

1. In March of 1960 Mrs. Hawkins, our State Director, wrote me telling me that Mrs. W. W. Lake, 269 Pendale Rd., El Paso, Texas, was interested in organizing a Table in Ysleta and asked that I send her the Frame Work Constitution which I did on March 25th. About April 12th I received an answer to my letter, but have had no further word.

2. In November, 1960 I corresponded with Mrs. James R. Dougherty of Box 965, Beeville, Texas concerning the organization of a Pan-American Round Table in that city. It was to include Pettus, Sinton and Refugio.

3. On January 16th, 1961 Mrs. Hawkins again wrote about a Table that Mrs. Earl McElroy, 509 N. 7th St. Alpine, Texas was in the process of organizing in Alpine. She had set up a meeting for January 23rd.

Not having heard from Mrs. McElroy I wrote her on January 27th, but to date have not received an answer.

4. I visited the following Pan-American Round Tables as shown below:

Austin in April, 1960

McAllen Table in May, 1960

Laredo Table in October 1959 and again in October 1960

Corpus Christi in November, 1960

Eagle Pass March 1961

In February 1961 I wrote Mrs. Fernandez, Director of Table I in Brownsville, suggesting if possible that she try to arrange a joint meeting of Tables I and II of Brownsville and the Table in San Benito.

A joint meeting was held in Brownsville on March 21st to which the Director of the Table in San Benito, Miss Roots, and several other members came. There were about 65 members in attendance.

At the same time I also wrote Mrs. Leonard Johnson, Director of the Alamo-San Juan Table making the same suggestion concerning a meeting of the Tables in the upper valley.

That meeting was arranged for March 22nd in McAllen and the Directors and members from the Tables in Alamo-San Juan, Edinburg, McAllen and Rio Grande City were all present, - also several guests from Donna.

The coordination and enthusiasm shown at both meetings was evidence that they are all working for the ideals of the Pan-American Round Table.

As a result of those two combined meetings I have now completed my visits to all the Tables in Zone III.

Respectfully submitted,

REPORT OF FOURTH ASSOCIATE STATE DIRECTOR

PAN AMERICAN ROUND TABLES OF TEXAS

1959 - 1961

Due to critical illness in my home (mother and husband), I have not been able to visit all the tables in District 4.

I have visited Dallas Table 2 unofficially. I presented a program to the Fort Worth Table on Pan Americanism .

I attended the board meeting in Corpus Christi.

The Corsicana member of the Good Neighbor Commission is sponsoring 13 students from Bolivia. These young men are enrolled at Navarro Junior College here in Corsicana, and are employed by local firms.

Fourth Associate State Director

April 1961

Madam Director,

Delegates and members of the Pan American Round Tables of Texas;

As Publication Chairman, I submit the following report;

We edited and mailed 4 issues of the Pan Americana Texana, mailing a total of approximately 6,000 copies. We plan a post-convention issue in April, following a precedent set by the immediate past Chairman of Publications, of the Conroe Table.

At the expense of the Publication Chairman, copies of the Texana, as available, were mailed to all Table Directors outside of Texas, to all Alliance Officers and to the Pan American Union, Columbia University, Americas, Latin American Reports and other publications and individuals whom we thought might be interested. This was no expense to the State Tables as we used the extra copies which the printer gave to us.

Our success in getting the Post Office Dep't. to grant to The Pan American Round Tables of Texas non-profit mailing status is, we think, our most important contribution as Publication Chairman. This required no little effort as we had to furnish to the P.O. Dep't. copies of our State Charter, Our State <sup>constitution</sup> ~~charter~~ and a letter from the Internal Revenue absolving us from taxes. This status is now permanent unless we <sup>change</sup> ~~should~~ the type of our organization. These papers will be given to the new Chairman of Publications. There has been some mis-information relative to an address-6-graph system. The P.A.R.T. of Texas does not own a machine, rather they have a set of stenciled names which are not current. For this reason and because we did not have access to a machine in Brownsville, we did not use the stencils. We shall turn them over to our successor and it may be with corrections some of the stencils will be usable. We found it simpler and not too much work when we divided the addressing among our staff.

Our biggest problem was in getting complete membership lists with addresses from the Tables. We were a full year hearing from some of the Tables, even tho they had been notified from the State Director's office of our appointment and the need for the addresses. Also each Table Director was requested by notices in the Texana of this need. We had on hand a list of the Table Directors and each received a copy of each Texana even when they had not sent in their membership lists.

We would like to make a plea to the Directors and delegates attending this convention, that each of you consider it your responsibility to send news items to your next Chairman and also keep her informed of additions and deletions in your membership lists. We have made a complete directory of the members of the Pan American Round Tables of Texas, but only with your co-operation can this list be kept current.

From the hundreds of letters and cards which we have received we know that the membership in the State and elsewhere want the Texana continued. They were most kind and complimentary of our sincere effort in trying to do a job for which we had had no experience or knowledge. We are most appreciative of each communication received.

Corpus Christi, Texas.

Dear Mrs. Hawkins:

The aims of your Education Committee for the past two years were two-fold:

1. To try to influence and work with the Superintendants of public schools, the School Boards and the heads of the Spanish Departments to have Spanish taught as a required subject in the Texas schools. We felt the first place to start was in our home town of El Paso, which probably has the most crying need for this program since our population is more than fifty per cent. Spanish speaking, and
2. To consider the advisability of awarding scholarships to students from the Hispano American countries.

As for the first aim - Spanish to be taught on a compulsory basis - in 1955 the El Paso schools embarked upon an after school program for the teaching of Spanish to students by request. This was in lieu of the twenty minute Spanish classes held twice a week for the first three grades which was given to all students from 1951-1955. This did not accomplish the desired aim because there was no grouping of students according to fluency in the language and only those who were intent upon learning

Spanish benefitted by it. However, the after school method proved quite satisfactory because those who wanted Spanish were given it. Also, it was much more economical because the teachers used are itinerant, though well qualified, who are paid on an hourly basis.

However, beginning September, 1961 a new experiment will be inaugurated whereby three grade schools will have Spanish included in the regular curriculum - twenty minute periods for grades one through three and forty-five minute periods for grades four through seven. This is a big step forward, and a resolution has been prepared by your Education Committee in the name of the Pan American Round Tables of Texas commending this program and offering our full support, a copy of which is attached. We strongly urge the adoption of this resolution at this convention. A detailed report of the methods to be put into effect in September, plus the methods now being used, is attached hereto. We should like to recommend these methods to all Texas school systems who have not already established a Spanish program. Incidentally, Mr. Carlos Rivera, Supervisor of Foreign Languages of the El Paso public schools, has given invaluable aid in the preparation of the attached report.

As for the second aim, we considered recommending a scholarship to some Mexican student who had been investigated, but we found that there are many scholarships available in many organizations but they have few applicants because students want cash - not loans to be paid back after receiving their educations. This would seem important in order to keep funds revolving.

However, through the Good Neighbor Commission with Dr. V. J. Kennedy, Director of Curriculum Development of the Texas Educational Agency at Austin, Texas there are scholarships already set up with Mexico on a reciprocal basis. The scholarships have not been used for lack of housing

for the Mexican students in American homes. A full explanation is enclosed in the attached report. Our recommendation is: that a committee be appointed among the members of every Pan American Round Table group in Texas to find homes for these students so that these scholarships can be used.

We have felt that until our own house was put in order we had nothing to recommend to others, especially concerning the teaching of Spanish in grade schools. However, now that El Paso seems to have a forward looking program we do have something to recommend to other Tables in Texas.

Along with this report is a newspaper file of articles and editorials that have appeared in El Paso and other newspapers.

Dear Table Director:

At the Board meeting of the Pan American Round Tables of Texas held in San Antonio, Texas, October 15th - 17th, 1959, the State Director appointed the undersigned to formulate plans for each Table to have their election of officers prior to the State Bi-ennial Convention. This is to be done in order for the new Director of each Table to be able to attend the Convention, familiarize herself with the work of Pan American Round Tables of Texas and register her name and address.

Since each Table operates under its own Constitution and By-Laws within the frame work of the Alliance of P.A.R.T. we respectfully request your Table to amend your Constitution if need be to conform to the above suggestion.

Cordially yours,

Board of Directors  
Pan American Round Tables of Texas

Dear Mesdames:

We have examined the statement of recorded cash receipts and disbursements of the Pan American Round Tables of Texas for the period March 26, 1959 to February 28, 1961. Our examination was made in accordance with generally accepted auditing standards and accordingly included such tests of the accounting records and such other auditing procedures as we considered necessary.

In our opinion, the following Exhibit and Schedules present fairly the recorded cash receipts and disbursements of the Pan American Round Tables of Texas for the period March 26, 1959 to February 28, 1961:

Exhibit "A" .....	Summary of Cash Receipts and Disbursements, March 26, 1959 to February 28, 1961
Schedule No. 1 .....	Savings Account, Conroe Federal Savings and Loan Association, February 28, 1961
Schedule No. 2 .....	Analysis of State Dues Received, March 26, 1959 to February 28, 1961
Schedule No. 3 .....	Analysis of State Expense, March 26, 1959 to February 28, 1961
Schedule No. 4 .....	Analysis of Receipts by Tables, March 26, 1959 to February 28, 1961
Schedule No. 5 .....	Schedule of Bank Deposits, May 1, 1959 to February 28, 1961
Schedule No. 6 .....	Schedule of Disbursements, March 26, 1959 to February 28, 1961

We examined all cancelled checks and traced all deposits to the bank statement. The bank statement covering approximately one month's transactions of the previous treasurer, Miss Carolina Cerna, were not available for our examination.

At February 28, 1961 the treasurer had on deposit in the bank the following funds which has not been remitted:

Griswold funds	\$	83.00
Alliance dues		150.00
Alliance travel funds		<u>418.50</u>
<u>Total</u>	\$	<u>651.50</u>
