

Pan American Round Table of Texas

Historian Report March 5, 2016 by Alicia V, Cantu

Thanks to those tables which have send me their invitations for their table's events and pictures which I have included in the scrapbook. I have not received pictures from all the tables. I am reminding you to please follow up and send me what you would like to include in the 2015- 2017 scrapbook.

Please include names of members in the pictures for our record.

Isabel Vezzetti, our State Director has been sending me pictures of her meetings with the different tables but I am missing a few. Please send me what you would like for me to include in our scrapbook.

I have already bought the scrapbooks for the two years which I will be donating.

Thank you for helping me complete my duty by sending me your invitations, letters, and pictures.

Sincerely,

Alicia V. Cantu
