

“One for All and All for One”

**Pan American Round Tables of Texas 59th Biennial Convention
March 29, 2018, Fort Worth, Texas
Report of the Parliamentarian, Kathy Ehmann-Clardy**

My duties during this biennium were to review the Constitution and Bylaws of the individual Texas Tables, and review the proposed revisions individual Texas Tables would like to make to their own Constitution and Bylaws and forward them to the Alliance Parliamentarian. I received copies of the Constitution and Bylaws from some but not all, of the Tables. Additionally, I review with the members of the Revisions Committee the proposed revisions to the State Constitution and Bylaws and present them to the Board of Directors and the assembly at the convention. In July 2018 I received a proposed revision from the San Antonio Table seeking to increase their dues. I forwarded it to Alliance Parliamentarian, Martha Ofelia Calderon, and it was approved as presented. At the State Board meeting March 24, 2018, in San Marcos I presented the revisions proposed by the State Finance committee which are to be voted upon at this convention. . In August 2018 I attended the meeting for new Table Directors in Laredo and gave the Table Directors copies of the booklet on Parliamentary procedure that I had printed the year before. In October 2018 I attended the Alliance Convention in Bolivia and during the biennium I attended several meetings of the Dallas III Table at their invitation.

In February 2019, thirty days before this convention I forwarded a copy of the current PARTT Constitution, Bylaws and Standing Rules which were amended at the 58th Biennial Convention in Houston in 2017 to the Board of Directors and the Table Directors thirty (30) days before this convention. The Board and Tables also received a copy of the Revisions that the State Finance committee proposed at the State Board meeting held on March 24, 2018, in San Marcos, Texas, which will be presented to the Assembly in the first business session of this convention

It has been an honor and a privilege to serve my Pan American Sisters as State Parliamentarian for the 2017-2019 Biennium. “One for All and All for One.”

Respectfully submitted,
