

**Final Report of 2 year term as Area A Director  
Gloria Munguía, Austin PART**

It has been an enlightening experience serving as Area A Director. While I did not do as much traveling as I would have liked to, I did make the best of my visits to the Tables in my area as well as the State and the Alliance meets. Of utmost importance was meeting ladies from other Tables, sharing ideas and of greater value, enjoying new friendships which will continue even after my tenure is completed.

Although not an Area A Director at the time I did attend the Alliance meet in San Antonio in October, 2016. I was most impressed with the grandiose effort by Tables throughout our hemisphere to unite for a greater understanding and respect for each other.

As Area A Director I attended the March, 2018 State Meeting in San Marcos, Texas. I also attended the Blue Print for Success Workshop II meeting in Laredo, Texas on August 25, 2018 where I participated in the round table discussions with Area Directors gathering ideas for fundraisers for scholarships and outreach programs. Of course, I joined in all other activities.

It was my full intent to attend the Alliance in Bolivia, but my husband's serious health issue changed my plans. I had even paid my initial down payment, and my husband encouraged me to go ahead and travel. No way was I going to leave him behind after he had suffered such a serious health issue!

During my tenure I visited the Conroe and Houston Tables which are in my Area, and I also visited the San Antonio Table. There I shared lunch with the ladies and then we all went to enjoy the Spanish Art Exhibit at the San Antonio Museum of Art. The San Antonio PART is a very active and ambitious Table which takes advantage of much of the Latin culture in the city of San Antonio.

Thank you for allowing me to serve in this capacity. It has been a pleasure.

Gloria Munguía
