

Pan American Round Table
AD-HOC Membership Committee Report
Fort Worth, Texas

March 30, 2019

Welcome Ladies of the Pan American Round Tables of Texas 59th Biennial State Convention.

In August of 2017 members of the Membership Committee met in Laredo at the Table Directors meeting. Directors met by Areas and discussed recruitment of new members. New and innovated ideas were shared with the whole group.

In March 2018 membership report was presented at the Board meeting in San Marcos, TX.

In August 2018 the committee passed out a survey on how the Tables present rated their recruitment of new members.

- Tables believe membership is low because of life style
Life style cannot be changed
- Many women work and cannot commit to luncheons or day meetings
- The requirements for new members is too lengthy

It is recommended that Tables visit their by-laws and change them to meet Tables' needs through the proper channels

Remember that our organization has been around over 100 years, so we must be doing something right.
