

To Pan American Round Tables State Convention, Fort Worth, Texas  
From The Del Rio Texas Table 2019

The Del Rio Table has 22 members. This year we added one new sister. We are small but we are together, always looking for ways to enlarge. Our sister Table from Ciudad Acuna, Mexico has come to our Table and we have enjoyed going to theirs. We sent 6 members to the Houston State Convention and 3 Members to the Alliance Convention in Bolivia.

We have a "Holiday Home Tour" fund raiser to assist women who are head of their households and wanting to further the quality of life for their children. The homes are always very different ranging from traditional to modern. The community of Del Rio always looks forward to this Annual Event. In the past 2 years we have given 7 scholarships amounting to \$7,600.00

We have a monthly raffle. It is a fun and good way to add a little money for miscellaneous expenses.

We have gotten away from a country program each month and have been presenting programs from women of our community and that they are making a difference. When a person's assigned country month comes and they give their program on the country they represent, they have been very informative as we learn much and we are informed how the women of that country has made a difference. Women are very important and knowledgeable. Women are still making a difference in the Americas as Florence Terry Griswold did 102 years ago.

We are Del Rio Proud. Dee Moore being our State Director. We/you can put your Table on the map. We all have great potential to preserve and further the future Pan American Round Table Organization to go on for another 100 hundred years. Knowledge, Understanding. Friendship. "One for All and All for One".

Ann Beitel, Table Director
