

To State Director Martha Stumbo

My apologies for my late report for this fiscal year.

As Area A Director, I, Rosalinda Peterson, PART Houston, regret that my not having met with the Austin Table and the Conroe Table in 2019, resulted in not being able to do so in 2020 with the Corona Virus shutting down all in person social activity.

I did however speak with Paula Alexander, Conroe Director 2019/2020 at great length about their quarantine efforts and the health of the members, all were well,.thank God.

I therefore humbly request that I may redeem myself by being Area A Director for 2020/2021 and follow through with my responsibilities.

Thank you for the opportunity to have served, in a very limited capacity in 2019/2020 and hope for the same opportunity to do so again in 2020/2021. Hopefully our social distancing, etc. will be lifted and we can meet in person once more.

Area A Director 2019/2020
