Pan American Round Tables of Texas Board Meeting
March 21, 2020, Beeville, Texas
Via Zoom – June 13, 2020
Report of the 1st Associate Director, Area D

Dear Pan American Sisters,

I was honored to be elected as 1st Associate Director for Area D at the Fort Worth Convention in March 2019. My duties include visiting all of the Tables in Area D, which consist of Dallas III, El Paso, Fort Worth, and Odessa. Of course I have been in attendance at each Fort Worth meeting as I also serve as the Recording Secretary. In October 2019, I visited the Dallas III Table meeting. They presented an entertaining program on “Dia De Los Muertos,” complete with chocolates in the shape of calaveras and witches. The Dallas III Table like the Fort Worth Table is struggling to keep their membership levels up to the minimum of twenty-two members. We have discussed various ideas to try to increase membership like having new member teas or other recruitment ideas but it seems many women who are prospective members are working these days and want to devote their weekends to their home and families. We will continue inviting friends and guests to join and hope that by convention time we can report an increase in membership.

My plans to visit the El Paso and Odessa Tables for their Pan American Day celebrations in April were cancelled because of the state-wide quarantine ordered by our Governor in March of this year. I am hopeful that the current travel restrictions and social distancing conditions will ease by the end of the summer and this fall we can hold regular meetings so I will be able to travel to the Area D Tables for my official visits. “One for All and All for One.”

Respectfully submitted,

Kathy Ehmann-Clardy, 1st Associate Director, Area D
