State Director

Dear Pan American Sisters,

Receive my cordial greetings with best wishes for wellbeing and health to each of you and your loved ones.

I fervently wish that at this State Board Meeting, the postulates of our unforgettable founder Florence Terry Griswold be reaffirmed and that her exemplary work continues to be the cornerstone that guides each of us with firmness, dedication, and love to our Pan American Movement.

Written words cannot replace a hug ... but I hope they serve to convey my best wishes for success at this meeting. Do know that your hard work and commitment to leading the work of the Zone I Tables are deeply appreciated. Thank you, Sisters, for being a core part of our Institution!

I hope that you enjoy implementing your ideas and plans towards accomplishing your goals. After this meeting, have a safe return home, reinvigorated by the achievements of your collective work. May God bless you and allow you to continue serving many more years.

Before I conclude, please allow me to thank you heartily for the kind invitation extended to me to attend this Board meeting. I am sorry for not being able to attend. I have some family obligations that require strict attention, which I cannot leave to anyone else. I reiterate my commitment to serve, and I remain at your service for any concerns, always working together as our Motto:

"One for All and All for One" ~ "Una para Todas y Todas para Una"

A fraternal embrace to all,

Vianey Aponte-Uss
